

TRUSTEES' MEETING

CONSIDER OPENING OF PATTERSON AVE. AND W. BROADWAY TO SAN FERNANDO ROAD

The Board assembled at 8 o'clock p. m. April 29, 1920. There were present at roll call Trustees Bartlett, Henry, Robinson; absent Shaw, Stephenson. The Clerk called the meeting to order, and in the absence of the Chairman, Trustee Henry was appointed Chairman pro tem. The minutes of the regular meeting of April 22, 1920, were read and approved.

Bids were opened, read and publicly declared for supplying the city with pumps and motors in accordance with notice calling for bids to be opened on this date. On motion of Trustee Bartlett the bids were referred to the Engineer of the Public Service Dept. to check up and report.

The committee was present representing citizens interested in the opening up and extension of Patterson from Brand boulevard to San Fernando Road and Mattison B. Jones and Judge F. H. Lowe addressed the Board in reference to the subject, urging that prompt action be taken. Trustee Robinson made a motion, which was seconded by Trustee Bartlett and adopted, instructing the City Engineer to prepare a resolution of intention to open and extend Patterson avenue in accordance with the petition previously presented to the Board requesting this improvement.

The City Manager presented a communication in regard to the opening and widening of the alley east of Brand boulevard and on the west line of the High School property, stating that Mattison B. Jones is prepared to deed to the city 15 ft. from the east end of his lot, but desires that he be allowed to retain actual possession until such a time as the alley may be improved. The matter was laid over for one week.

A communication was presented from the Library Board accompanied by the budget for that institution for the coming year. The same was placed on file.

An application was presented from A. L. Dechene that he be given the work of auditing the city books. Referred to the City Manager.

BIRTHDAY DINNER

Myles P. Van Fleet was guest of honor at a dinner given Thursday evening by his mother at their home, 617 South Pacific avenue, in celebration of his twelfth birthday. Smilax and Cecil Brunner roses made a charming table decoration. Covers were laid for Mr. and Mrs. Charles Kelso, Mr. Kulp, Col. Louis Zeisse, Mr. and Mrs. E. L. McGhee and their daughters, Flora Mae and Elizabeth McGhee, the hostess and guest of honor.

FOR NEW MEMBERS

RECEPTION AT GLENDALE PRESBYTERIAN CHURCH LARGELY ATTENDED

At the Glendale Presbyterian Church Thursday evening was enjoyed a delightful social function in which about two hundred persons participated. It was a reception to new members. Mrs. A. W. Huskins was general chairman assisted by Mrs. Hall, Professor Harry Howe and the ladies of the F to K Division.

The affair took place in the Sunday School room which was beautifully decorated with roses and furnished with rugs, tables and easy chairs to give it the appearance of a reception parlor. Each of the new members was tagged with a card upon which his or her name was written and to which a Cecil Brunner rosebud was attached. This obviated the necessity of formal introductions and promoted acquaintance. Following was the program which began at 8:20 o'clock.

Welcome, Mrs. T. W. Preston. Whistling solo, Miss Eva Green. Vocal solos, "The End of a Perfect Day" and "A Little Irish Girl," Mrs. Fannie Marple Retts.

Quartette numbers by Mrs. McDaniel, Clifford Riggs, Mrs. Fannie Marple Retts, Miss Anna May Gallo-way.

Refreshments of cake and fruit punch were served and the balance of the evening was devoted to informal sociability.

SADLER-BARKMAN

WAR ROMANCE OF SOLDIER AND ARMY NURSE CULMINATES IN MARRIAGE

Yesterday, April 29th, at four o'clock, at the home of Dr. E. H. Willisford, pastor of the Glendale Congregational Church, a war romance culminated in the marriage of Edwin James Sadler, and Edith Barkman, formerly of Seattle. Mr. Sadler is the son of Mrs. Helen Sadler, a former resident of this city and very active in Red Cross work during the war, and he is the brother of Mrs. E. L. Young and of Mrs. D. A. Edwards of Oakland, formerly Miss Winifred Sadler. The bridal pair were accompanied by Mr. and Mrs. B. Douglas Balthis as witnesses. It was a reunion of three men who had faced death together on the Argonne front in France where Douglas Balthis and Edwin Sadler were members of Company F, of the 117th Engineers, and Dr. Willisford was a "Y" worker. Lieut. Sadler was wounded and sent back to Base Hospital No. 50 where he met Miss Barkman, an army nurse. The acquaintance thus begun ripened into love which has resulted in their union. They expect to make their home in Glendale and are now at 323 West Milford street.

LEI LANI EVENING

HAWAIIAN TENOR ENTERTAINS ENTHUSIASTIC AUDIENCE AT HIGH SCHOOL

An excellent audience enjoyed a very delightful entertainment given at the High School Thursday evening as a benefit for the Acacia Avenue and the Cerritos Avenue Schools. The artists were Prince Lei Lani, a Hawaiian tenor, and his fine accompanist, Lois Mary Townsley. A Chickering piano and a violoncello figured conspicuously in the program, not the least interesting feature being the singing by the prince in unison with records of his own making and records by Madame Schumann-Heink and John McCormack.

Lei Lani has a voice which is a wonderful instrument, wonderful in its range and adaptation and his control of it is wonderful. One is reminded of Trilby, but behind this voice is the artistic intelligence lacking in her case. His peculiar ability to handle his vocal powers was best illustrated in the singing of Hawaiian yodel songs particularly when he executed a triple yodel throwing his voice with ventriloquist skill so it appeared to come clearly from a far distant point opposite the place in which he was standing.

The audience also enjoyed with enthusiasm his playing of the steel strangled guitar in which he used a metal bar and a gum wood stick to bring out the resonant quality of the strings. There was a suggestion of subdued jazz in his method of sliding into a note which made it appear to swell into its true and perfect tone.

Another very interesting number was his rendition of one of the sacrificial songs chanted by the old priests who formerly held sway over the imaginations of the superstitious Hawaiians by convincing them of their power to pray and sing to death a selected victim unless offerings of food in sufficient numbers were provided. The offerings, he explained, were divided into two parts, one of which belonged to the gods, the other to the priests. While these chants were in progress the people on penalty of death were required to keep their heads bowed and in this interval the priests managed to remove the portion set apart for the gods. When the people were again permitted to raise their heads and discover the disappearance of the food their faith was renewed. Afterwards the priests openly took the other fifty per cent. Lei Lani explained how easy it was for the prophecies of death made by the priests to come true because the victims worried themselves sick and died of fright.

Among his concluding numbers was a Hawaiian love song, beautiful almost as the "Aloha" with which the program closed. "Aloha," he explained, means many things, such as welcome, farewell, my love to you, my best beloved, etc.

Wm. Perrin had quite a narrow escape yesterday as he was crossing Broadway at Jackson in his Chandler. The machine was struck by a P. E. car and flung to one side. The only damage resulting was a bent fender.

ARMY AIRPLANE PATROLS

OBSERVERS STATIONED ON BORDER WATCHING MEXICAN FEDERAL AND REVOLUTIONARY TROOPS

(Special Service to Glendale Evening News)
SAN ANTONIO, April 30.—Twenty-five U. S. army airplanes patrolled the international border watching the movements of Mexican federal and revolutionary troops today. The patrollers are between Douglas and El Paso. The airplanes were in constant communication with flight headquarters by wireless. They took the air early today. No announcement was made how long the patrol would be continued. Every plane carried a pilot and observer.

SOLDIERS' BONUS BILL

FAVORABLY REPORTED BY HOUSE WAYS AND MEANS COMMITTEE, IT GOES TO REPUBLICAN CAUCUS

(Special Service to Glendale Evening News)
WASHINGTON, April 30.—The Ways and Means Committee today by a strictly party vote favorably reported to the House the soldiers' bonus bill. If approved by the Republican caucus today, it will be called up in the House next Monday for action. The Democrats opposed the clauses in the bill providing for a tax on sales, but were outvoted by the Republicans.

MEXICAN AMBASSADOR TO U. S.

REPORTS THAT POST HAS BEEN OFFERED TO IGNACIO BONILLAS

(Special Service to Glendale Evening News)
MEXICO CITY, April 30.—Reports were current here today that Ignacio Bonillas may return to Washington as Mexican Ambassador to the United States. Alberto Tani, Mexican Senator, was mentioned as a possible coalition candidate for the presidency. These reports followed publication of the news that Bonillas and Gonzales, the leading presidential candidates, had agreed to withdraw in the interest of restoring order. Bonillas has had the support of Carranza and has been considered the leading opponent of General Obregon, who fled the capital when he was accused of dealing with rebels.

MASSACRE OF JAPANESE CONSULATE

DETAILS OF COMBINED ATTACK BY RUSSIANS, CHINESE AND KOREANS REACH TOKIO

(Special Service to Glendale Evening News)
TOKIO, April 30.—The first reliable details of the massacre of Japanese soldiers attached to the Japanese Consulate at Mikolaesk, were made public by the war office today. Bolshevik soldiers, aided by 1000 Koreans and 500 Chinese, first attacked Mikolaesk and demanded that the Japanese forces disarm, according to the story of an American eye witness in a report to the Japanese Expeditionary forces at Alexandrofsky, the war office report said. Old regime Russians and 270 Japanese were massacred when the infuriated attackers' demands were refused. After two days of fighting members of the Consulate set fire to the building and threw themselves into the flames. Japanese women were outraged, the report said.

Over 100 Japanese who were taken prisoner and subjected to terrible cruelties, are believed to be dead, the statement said. Reports of increasing bitterness between the Bolshevik army and sympathizers in Siberia, on account of the occupation by Japanese forces, have been daily becoming more alarming, according to the Tokio war office. The Japanese newspapers have been loud in their condemnation of the Vladivostok incident. The statements of foreign correspondents and Russian adherents both claim the Japanese were the aggressors.

KNOX PEACE RESOLUTION

SENATE FOREIGN RELATIONS COMMITTEE ORDERS A FAVORABLE REPORT AS REVISED

(Special Service to Glendale Evening News)
WASHINGTON, April 30.—The Senate Foreign Relations committee today ordered a favorable report on the Knox peace resolution. The committee voted 9 to 6 in favor of the resolution which is a revision of the one originally introduced by Senator Knox. The resolution also differs from the one recently passed by the House. As revised, the measure provides for the repeal of the declaration of war against Germany and Austria-Hungary and requests the president to open negotiations with those countries "for the purpose of establishing the friendly relations of commercial intercourse existing prior to the declaration of war."

The resolution practically declares that the United States waives none of its rights under the armistice or the treaty of Versailles. Provision is made that all property of the German government or its nationalities seized by the United States shall remain in the possession of this government until Germany has by treaty with the United States made provision for a settlement of all claims. War-time law is not directly repealed by the resolution but for legal purposes the termination of the war is to date from the time when the resolution becomes effective.

VALLEY TRACK MEET

GRAMMAR SCHOOL TEAMS COMPETE ON GROUNDS OF INTERMEDIATE

The valley track meet which took place Thursday afternoon on the grounds of the Intermediate proved a big tournament from an athletic viewpoint. Participating were the teams of the Burbank Grammar School, Eagle Rock Grammar School, Cerritos Avenue School first team and Intermediate first team. Burbank was rather at a disadvantage because its boys are considerably smaller than those of the other teams. It should have been matched against the second teams of Cerritos and Intermediate.

The final score was: Intermediate 29, Cerritos 17, Eagle Rock 17, Burbank 0.

Following were the events and individual scores:

100-yard Dash—Billy Cowan (E. R.) 1st; Joseph Eyraud (C.) 2d; Theo. Haig (I) 3d. The score made by "Teed" Haig, as he is known among his fellows was a disappointment to him and to the team. He was in no condition to run, having a sore on one foot which was almost permitted to enter that he was allowed to run and then withdrawn from team work. He insists on running bare-footed and was injured by a sharp stone. He is one of the finest runners in the school.

BUSINESS GROWS

Mrs. Walcott, of the Walcott Beauty Parlors, is quite surprised at the growth of her business since she has been in Glendale. Mrs. Walcott conducted a business of this kind on a large scale in the East and when she came to California intended to retire. She wasn't satisfied, however, until she got back into the harness again and expected to carry on a small business in order to occupy her time. Now in five months' time she finds she has more than she can do. She is enlarging her parlors and trying to find competent and experienced help.

LIBRARY CONVENTION

Mrs. J. C. Danford, City Librarian, and Mrs. Flora M. Temple, secretary of the Library Board, are representing Glendale at the State Library Convention which opens this afternoon at the Mission Inn in Riverside and will remain for the entire convention which lasts until next Wednesday. Miss Leone Shattuck, a member of the library staff, will also attend this afternoon.

A. L. BAIRD'S HOME SOLD TO L. A. MAN

While A. L. Baird was looking after some business matters in Los Angeles yesterday afternoon his wife sold them out of house and home. The purchaser of the property, which is at 338 North Jackson, was A. C. Johnston, auditor of the Southern California Gas Company. He will move out here in about two months and Mr. and Mrs. Baird will occupy one of the houses in the bungalow court he and Dr. Young are building on North Orange.

SURPRISE PARTY

WEDDING ANNIVERSARY OF MR. AND MRS. J. L. STEVENS CELEBRATED

Mr. and Mrs. J. Lander Stevens of 604 North Louise street were the recipients of a very pleasant surprise Thursday evening in celebration of the seventeenth anniversary of their wedding. A group of their relatives and friends gathered at the residence of Mrs. Charles Carere, sister of Mrs. Stephens, and from there proceeded to the Stephens' home laden with gifts of all descriptions, both useful and ornamental. As the effort had been to make it a thoroughly up-to-date party, guests were attired in overalls, and old clothes and presented a most striking appearance. Games, dancing and music helped to pass a most enjoyable evening until supper was served. Mr. Stevens favored his guests with a wonderful rendition of "Laska." Among those present were: Mr. and Mrs. J. L. Stevens, their sons, George and Jack Stevens, Mr. and Mrs. James W. Horne, Mr. and Mrs. A. T. Dobson, Mr. and Mrs. Charles A. Rudel, Mrs. Charles Carere, Mrs. Elizabeth Plummer, Jack Lavelle and Master Charles Rudel.

LIFE IN SIBERIA

DR. BUCHER TELLS OF HIS EXPERIENCES IN THIS FAR-OFF LAND

Dr. E. S. Bucher of 610 West Broadway, who arrived at home a few days ago from Siberia, where he had been in Red Cross work for several months, talked very entertainingly last night to an Evening News reporter of his experiences in that land of mystery about which are now coming so many conflicting reports. He left home on June 8th last year and sailed three days later from San Francisco on a palatial passenger steamer for the Orient. The trip across the Pacific was uneventful and when Yokohama was reached his party, consisting of five doctors and 20 nurses, was glad to stop there for nine days while arrangements were being made for quickly forwarding from there the supplies which should be sent from the home country. Vladivostok, the great Siberian harbor city, was reached on July 10th and after a week's preparation there the rail journey to Omsk, more than 3000 miles distant, was begun, but as the allied forces met with reverses at that point it was decided that it would be wise to begin work further east. Irkutsk, the metropolis of Eastern Siberia, was made headquarters and the first task was to build and equip a Red Cross hospital and dispensary at Verkhne-Udinsk, 200 miles east of there. Dr. Bucher had the supervision of this important task and after it was completed he was made superintendent of the 2,000 miles of territory bordering the (Continued on Page 6)

FEWER COURT CASES THIS MONTH THAN LAST

Judge Lowe says that there were only about half as many cases in his court this month as last, when a high record of 163 was made. More than 60 of these, however, were against motorists for having no head or tail lights burning. There has been a great improvement in this respect, he says, but already some are getting careless and a new campaign against them may be necessary. Speed maniacs are fewer, too, says the Judge, or else they are more accomplished in evading arrest. One Pasadena school boy, son of wealthy parents, who said he rode his motorcycle merely for pleasure, was arrested while speeding at 45 miles an hour. He was ordered to strip his machine of license plates and intern it for 30 days. He promised to show more respect for Glendale's laws when his term of probation expired.

PICNIC FROLIC

READING CIRCLE HAS ANNUAL CELEBRATION AT HOME OF MRS. TOLL

The Mutual Benefit Reading Circle held its fifth annual picnic at the home of Mrs. Charles H. Toll Wednesday, a little earlier in the year than usual because its leader and hostess is to leave shortly for the East. The day could not have been more perfect had it been made to order.

Luncheon was served at noon at tables beautifully decorated according to a blue and white scheme carried out by the chairman of decorations, Mrs. Kirk Smith. In charge of the luncheon was Mrs. Kurtz. It was as lively and eccentric as some of the famous parties at Newport, for guests came dressed to represent the thing they would most like to be, or, failing that, dressed to amuse. Most charming was the hostess, Mrs. Toll, as a Chinese lady of rank looking very picturesque in the garden setting. Children of every age were personated, butterflies, college professors, literary ladies, flowers, old-fashioned girls, Puritan maidens, cooks, ghosts and clowns.

Having satisfied the inner woman a literary, musical and spectacular feast was provided, the program, as usual, being in charge of Mrs. John Cotton, who was ably assisted by Mesdames Charles Parker, Wright and Peckham. It was presented under the general title, "The Ghost of Last Year's Program," and was cleverly carried out from its beginning to its finale.

Following were the members present and the characters they represented: Mrs. Toll, Chinese lady; Mrs. Florence Kurtz, man of letters; Mrs. John Cotton, cook; Mrs. Kintzie, boy; Mrs. H. V. Henry, Reading Circle of America, sixth edition; (Continued on page 7)

TRUSTEES' MEETING

(Continued from Page 1)
Board requesting permission to use a portion of Central avenue and other streets in the northern part of the city for a bicycle race to take place Saturday, May the 8th, 1920. On motion of Trustee Robinson, permission was granted, subject to the supervision of the City Manager and the Police Department.

Demands were filed and referred to the Finance Committee. Later, the Finance Committee reported back demands approved, and on motion of Trustee Bartlett, warrants were ordered to be issued in payment of the same.

At 9 p. m. a large committee representing the Greater Glendale Development Association appeared before the Board, and Ezra Parker, C. D. Lusby and J. G. Huntley spoke in regard to the opening of a street which would be a continuation of West Broadway from Pacific avenue to San Fernando Road, and the opening of West Broadway from Central avenue westward, as indicated on a map accompanying a petition for the improvement, filed April 8, 1920.

J. S. Thompson and C. J. Wolfe stated their opposition as property owners to the project as set forth in the plan, although expressing their willingness to have Broadway improved as that street is laid out at present. They desired that action in the matter be postponed until opportunity could be given to harmonize the opposing interests. On motion of Trustee Bartlett, the matter was laid over for one week in order that it might be taken up by the full membership of the Board.

The City Manager reported on conditions as to Dorothy Drive to the effect that five years have elapsed since that thoroughfare has been in actual use for street purposes, and recommended that City Attorney be instructed to proceed to acquire title to the same for the city. On motion of Trustee Bartlett the recommendation was adopted and the City Attorney was so instructed.

The City Manager reported an accumulation of sawdust being deposited by certain parties along the banks of Verdugo Wash. In this connection the City Attorney had prepared an ordinance to which he was requested to make certain additions to fit the case, when the same will be presented to the Board for adoption.

A report was read from Sanitary Inspector Chobe in regard to the application of H. C. Williams made to the Board at previous meeting, for permission to run waste water from his residence onto his own property. On motion of Trustee Robinson the request was granted.

In regard to the preparing of an ordinance to enable the city to do lot cleaning at the expense of the owners, referred to him at the previous meeting, the City Attorney reported that he had secured copies of an ordinance prepared for another city, which he presented to the members of the Board individually and requested that they familiarize themselves with it before taking further action.

In regard to the opening and widening of Kenilworth avenue, the City Attorney reported that certain blue prints are required and the City Engineer was instructed to supply the same.

Ice Department reported that the bid of Layne & Bowler Corp. to supply the city with a pump, in accordance with advertisement calling for bids, is the only one received, and recommended that the same be accepted. In accordance with this recommendation, on motion of Trustee Robinson, this bid of \$1,676.00 was accepted.

He requested further time before

HOOVER'S PRICE-FIXING POLICY

(Contributed by Glendale Hoover Club)

Opponents of Herbert C. Hoover for the presidency are asking how he can explain his price-fixing policy, especially on wheat.

Hoover did not fix the price of wheat. In 1917 it was fixed by a commission composed largely of farmers appointed by the President. Hoover was not a member of the commission. In 1918 and 1919 the price was fixed by Congress. Hoover is opposed to price fixing in normal times.

Before the price of wheat was guaranteed at \$2.20 a bushel, the farmers received an average price of only \$1.42 a bushel though speculators, after getting the wheat, boosted the price as high as \$3.00 and consumers paid \$17.50 a barrel for flour. Under Hoover's administration farmers were certain of \$2.20 a bushel, and the consumer paid only \$12.50 a barrel for flour. Before that time, the farmer actually got only \$6.50 out of the \$17.50 paid for every barrel of flour. After Hoover took charge, the farmer actually got \$9.00 out of the \$12.50 paid for a barrel of flour.

Food won the war—and what Hoover did was to insure a fair price for what the farmer produced, a reasonable price to those who ate the food, and nothing to the profiteer.

Under Hoover's control, the price of sugar was 10 cents a pound. Further comment is unnecessary!

CHURCH NIGHT SUPPER AT CENTRAL CHRISTIAN

The weekly church night supper at Central Christian church last night attracted the usual number of members and their friends who enjoy the fellowship promoted by "getting their feet under the same table," as Pastor Clifford A. Cole expresses it. The Bible study following the supper, beginning at 7 o'clock, was on the books of Joel, Nahum and Micah. Prayer meeting, following this, was led by R. P. Jodon who made it very interesting to the goodly number assembled.

reporting in regard to the other bids.

The Engineer of the Public Service Department presented specifications and plans for well casing and derrick, accompanied by a map showing the location of the same and specifications for doing the work. Also a written recommendation as to well and well-house with specifications for from one to three wells in Verdugo Canyon, with cost of material and drilling, also plan showing location of the same. His estimate for drilling, perforating, and testing the three wells is \$5,200.00, one well to cost about one-third of this amount. On motion of Trustee Bartlett, the plans and estimates were approved.

The Engineer of the Public Service Department also recommended that the sum of \$11,300.00 be set aside to cover the cost of derricks and two wells on San Fernando Road. No action was taken.

The ordinance presented at the previous regular meeting repealing Ordinance No. 244 in regard to the removal of inflammable weeds from property, was, on motion of Trustee Bartlett, adopted as Ordinance No. 378.

The Clerk presented a copy of an ordinance requested for adoption in regard to the location of a spur track on the San Fernando Road, to be put in by the Standard Oil Co., and, on motion, the same was referred to the City Attorney.

ELECTION POINTERS

REGISTRAR LYONS GIVES IN-
FORMATION TO VOTERS IN
LETTER TO MRS. DELL

As judge on the Election Board Mrs. Sidney Dell seeing the difficulty which confronts many voters on account of ignorance of the election laws wrote D. B. Lyons, Registrar of Voters for Los Angeles county, asking him a number of questions which have perplexed voters and election boards. Mrs. Dell suggests that voters file the following letter which she received from Mr. Lyons, for future reference:

Los Angeles, Cal.,
April 28, 1920.

Mrs. Sidney Dell,
928 North Louise St.,
Glendale, Cal.

My Dear Mrs. Dell:

I have your letter of April 27th containing several inquiries pertaining to election laws. Most of these are covered specifically in the Election Officers' Digest furnished to each member of an election board. I am aware, however, that they are just the questions that often arise in the minds of voters, and take pleasure in answering them as seriatim.

(1) The Election Officers' Digest is compiled by the Secretary of State and the Attorney General of the State of California and it is the absolute guide in all matters pertaining to the duties of an election board.

(2) A citizen of the United States must be a resident of California for one year, of a county for ninety days, and of a precinct for thirty full days prior to an election before he or she is eligible to register as a voter, or to vote in such precinct.

(3) Properly speaking, there is no such thing as a "transfer" of registration. When one removes from one precinct to another, even though he may not have moved 200 feet, the removal operates to cancel his registration. It is therefore necessary to re-register every time one moves into another precinct than the one in which he was registered. Such person does make a statement at the top of his affidavit, however, showing the place where he last registered and which is usually termed a "transfer." This new registration or re-registration, must take place thirty days prior to an election in order to enable the person to vote in the new precinct to which he has moved.

(4) If a person has sold or rented his property unfurnished, and established himself—"furniture and all"—to use the exact language of your inquiry, in another precinct, he has lost his right to vote in the precinct from which he removes. In other words, he has established another home. A recent decision, however, handed down by the Attorney General, permits any one who has rented his home furnished and who has gone away for merely temporary purposes with no other intention than to return to said furnished home as soon as the temporary lease has transpired and who does not establish a complete residence elsewhere, to return to the precinct in which his furnished home is rented, to vote. This, of course, assumes that he is properly registered in such precinct.

(5) The May Presidential Primary is held for no other purpose than the election of delegates to the National Conventions of the several parties, whose duty there will be to join in nominating the next candidates for President of the United States. Because of this limited work of the May Primary, a special enactment was passed by the Legislature known as the Presidential Primary Act. It differs in some respects from other primaries, the main difference being that any duly registered voter, regardless of what party affiliation he or she has named when registering, and also regardless of the fact that he or she may have "declined to state," any party affiliation, may, when entering the polling place, call for any ticket this year (either Republican, Democratic or Prohibition), and vote that ticket by simply stating and subscribing to the Roster as intending to vote the ticket thus called for at the November election. Personally, I deem it questionable whether there be much, if any, force in such a pledge. When the November election comes on the voter will be absolutely free to vote in the privacy of his booth any ticket which he desires.

(6) Registration of voters for new registrations and re-registrations will begin again May 5th and continue until July 31st, midnight. They then close for the August Primary which will be held August 31st. I will not undertake to tell you the very considerable number of important state and county offices for which candidates will be selected at the August Primary. That will be made clear through many statements in the press later on.

At this August Primary, no one will be permitted to vote any ticket except the one designated in his registration, as shown on the records of my office. Those who have "declined to state" any party affiliation or, in fact, any duly registered voter will be permitted at the August Primary to call for and vote the "Non-Partisan" ticket which covers candi-

Make Your Summer Menus Simple in HOT WEATHER

Here is a suggestion for making your summer
menus more varied and for lightening the dis-
comfort of preparing meals in the hot weather.

SALAD

A delicious one that can be prepared at little expense and that requires very little work: Mix 1½ cups of elbow cut boiled macaroni, 1 cup of diced celery and 1½ tablespoons of Empson's Snappy Sauce, combine with mayonnaise and serve with lettuce topped with a few Mission Olives.

Snappy Sauce

Empson's Brand Spanish style—a splendid sauce to bake with macaroni, spaghetti—excellent for hot or cold meats, steaks, fish and many other tasty dishes.

Olive Relish

Del Monte—the red shield is your guarantee of highest quality. A fine relish for cold meats, gives zest to your salads and makes a delicious sandwich filler.

the tin, 12c

Olives

California ripened—Mission brand—a quality of large olives put up at the stage of their development when they combine the nutritious qualities of the fruit with its most delicious flavor.

(7) Immediately following the August Primary, in other words, beginning September first, registration and re-registration will again be possible for those who have not registered since January 1, 1920, and for those who have moved to another precinct after registering. This continued registration is in preparation

for the November election. It will

close at midnight October 2, 1920. At this time, the President of the United States will be elected and all offices will be filled, for which candidates were nominated at the August Primary.

Mrs. Stella Jones of Sunland, a former resident of Glendale, is the week-end guest of Mrs. James A. Farrell, of 400 West Patterson avenue.

W. G. Boyd took out a building permit yesterday for the erection of a 4-room California house for Mrs. Brinkhoff at 210 South Central avenue. The estimated cost is \$1500.

Mrs. Wm. Timmons and daughter, who had been visiting a son and brother, Arthur, and Mr. Timmons' mother, at 425 East Windsor Road, for a few months past, started for home yesterday.

With many regrets Mr. and Mrs. J. B. Peters and son, Sievert, left Thursday morning for Wisconsin, after a delightful five months' residence in Glendale. They expect to return next fall and bring with them a group of Wisconsin friends.

Mrs. Jack Wagon's many friends will be sorry to learn of the death of her sister, Miss Gallagher, of Oklahoma City, who spent several months here last year and made many friends. Mrs. Wagon was unable to attend the funeral on account of her own recent illness.

Persons who have difficulty in communicating by telephone with prominent workers in the P.-T. A. should remember that the District Convention of Parent-Teacher Associations is on in Los Angeles this week and about forty-five representatives from Glendale are attending, the delegation being headed by Mrs. A. A. Barton, president of the local federation.

For the benefit of those who were disappointed because unable to hear Raymond Robins at the High School Wednesday evening, J. H. Franklin announces that Mr. Robins will close his speech-making campaign in Los Angeles county Saturday night at the Polytechnic High School in Los Angeles, where all who desire can hear him.

F. J. Runyon and wife took possession yesterday of the property at 337 Ivy which they bought some time ago of the Vivrettes, and one of Mr. Runyon's first acts on becoming a permanent resident of the city, was to order the Evening News delivered at the new home. They came here from Fairmount, North Dakota, but were originally from Peoria county, Ill.

G. E. Felts, wife and babe will move over tomorrow from Hollywood to a residence they have leased at 201 West Windsor Road. Mr. Felts' partner in the Hudson and Essex Auto Agency at 246 S. Brand, R. C. Chambers, returned the 19th with his new wife from the honeymoon journey, and they expect to move next Tuesday into the beautiful new home recently purchased at 470 Hawthorne.

Mr. and Mrs. Whitney Hoagland of Green Bay, Wis., arrived in Pasadena Wednesday evening. Both are already in love with Southern California and expect to locate permanently in San Pedro. Mr. Hoagland is a naval engineer. Mrs. Hoagland is a sister of Mrs. R. Franklin of 1424 East California avenue and was a visitor in Glendale this week.

Mrs. Guy O'Neil Ireland and daughter, Laura, of Vashon Island, near Seattle, Wash., are here to spend a few weeks or months, depending on the condition of Mrs. Ireland's aunt, Mrs. C. F. Ireland, of 339 Oak street, who is slowly recovering from a serious attack of heart trouble. Mrs. Guy Ireland's husband is a doctor and this keeps him at home. His wife and daughter are so pleased with Glendale that they will rent an apartment for a time and hope some time to become permanent residents.

CO-OPERATION

Some of the members of the Literary Section of the Tuesday Afternoon Club are protesting that they were given too much credit in connection with the program put on at the club last Tuesday. The program it appears was the conception of Mrs. W. E. Evans and members of the program committee whom she called together for their advice and assistance. Mrs. Hutchinson, in response to the appeals of the program chairman pledged the services of herself and her section in putting on the pageant of early California. For the balance of the program and all the arrangements, for decoration, refreshments, etc., due credit should be given the program committee headed by Mrs. Evans, which planned the affair and which with the loyal assistance of club members so successfully carried out its plan.

Christian patience is not cowardly or indolent submission to evils that a little vigorous fighting will end.

YELLOW AND WHITE LUNCHEON

Miss Alice Toner of Latrobe, Pa., is the guest for a week of Mrs. Earl E. Hitchcock of 192 East Gardena avenue. She has been spending the winter in Redlands. Mrs. Hitchcock entertained Thursday with a luncheon for a group of former chums in L. A. High School. A yellow and white color scheme was carried out in the menu and in the floral decorations in which marigolds, roses and nasturtiums were used, and orange baskets were used as salad containers. An unique feature of the function was the verses written by the hostess, appropriate to each guest to serve as place cards, and also uncompleted limericks in which guests were to supply the last line. The prize was won by Mrs. George Fuhr, of Azusa, with the following limerick:

A hostess there was in Glendale,
Who thought innovations not stale.
Her brain seemed to shrink
The more she did think,
But expanded long ere they did fail.
Venice, Hermosa Beach, Hollywood and Los Angeles were represented in the group and following the luncheon the ladies spent a pleasant social afternoon over their needlework. The hostess was assisted by her mother, Mrs. A. M. Salyer, of Elk avenue, and covers were laid for ten.

VALLEY TRACK MEET

(Continued from Page 1)

High Jump—Richardson Jones (L.) 1st; Frank Bates (E. R.) 2d; Edwin Rike (L.) 3d. The winning high jump was 4 ft. 8 1/2 inches. The winner jumped an inch and a half higher than any jump he has made in the contests in which he has participated this year. For a boy of his age he is considered quite a wonderful jumper.

220-Yard Dash—Frank Bates (E. R.) 1st; Paul Bettis (L.) 2d; Joseph Eyraud (C.) 3d.

Broad Jump—Paul Bettis (L.) 1st; Massaru Horii (C.) 2d; Gordon Kingsley (L.) 3d. The jump of the winner was 15 ft., 8 inches.

Half-Mile Run—Paul Bettis (L.) 1st; Massaru Horii (C.) 2d; Glenn Roberts (C.) 3d. Time: 2 mins., 51 seconds. Paul Bettis, the winner, finished more easily than any of the others. Glenn Roberts made a splendid finish in a sprint at the end that placed him in the third position in front of Frank Bates.

8-Pound Shot Put — Gordon Kingsley (L.) 1st; Frank Bates (E. R.) 2d; Leroy De Armond (C.) 3d. Distance—33 ft., 5 in.

Relay Race—Cerritos 1st with: Joseph Eyraud, Massaru Horii, Glenn Roberts, Charley Steelman.

Intermediate 2d with: Bob Frazer, Richardson Jones, Paul Bettis, Robert Lusk.

Eagle Rock 3d with: Paul Bates, Allen Lane, Billy Cowan, Frank Bates.

Burbank 4th: Leslie Bennett, Allen Huff, Jack Mulgrew, and Burton Dilly.

This practically ends the track season for the grammar schools of Glendale. The boys are now working on in-door baseball.

As a result of this meet the schools of Glendale and Eagle Rock will organize an in-door baseball league in which Burbank may participate.

MURDERER MAKES CONFESSION

HALED INTO COURT BY HIS WIFE, HE ADMITS KILLING ALONZO BLEDSOE

(Special Service to Glendale Evening News)

WOODLAND, Cal., April 30.—Haled into court by his young wife, Charles Harry Skeel, known here under the name of Frank Young, today confessed to the murder of Alonzo Bledsoe, who was murdered on Christmas eve, 1906, in Williamsburg, Ky. Skeel refused to discuss the details of the crime. The case is further complicated by the declaration of Skeel's wife that at the time of their marriage Skeel was not divorced from a former wife by whom he is the father of three children.

BISBEE DEPORTATION TRIALS

CHIEF OF COUNSEL FOR DEFENSE MAKES CLOSING ARGUMENTS

(Special Service to Glendale Evening News)

TOMBSTONE, Ariz., April 30.—"Something was going on in Bisbee," was the keynote of the closing of the arguments by the defense in the deportation trials which W. H. Burges, chief of defense counsel, began today. He dwelt heavily on the claim that such action as the deportation of 1186 men by some 2000 citizens and business men could not occur in an American city unless there was a real cause back of it. "Men do not turn criminals in a minute," Burges declared, in arguing that Bisbee business men had acted to defend their homes and not from criminal instincts.

"Something was going on that made it necessary. It was not the hissing of a harmless snake but the buzz of a rattler."

Burges indulged in a scathing denunciation of special prosecutor Worsley who delivered an unusual address to the jury yesterday.

WOULD SOON KNOW

Two colored boys, out hunting, chased two bear cubs into a hollow tree. Mose left Rastus to watch outside for the old bear while he went in and got the cubs out. Rastus sat down and fell asleep. Waking up just as the old bear was going through the hole, he caught her firmly by the tail.

"Rastus, what dark the hole?" called Mose, inside.

"If this here tail pulls out you'll find out what dark the hole," Rastus answered.

"Bridget, I don't want you to have so much company. Why, you have more callers in a day than I have in a week."

"Well, mum, perhaps if you'd try to be a little more agreeable, you'd have as many friends as I have."—Boston Transcript.

JOHNSON COMMITTEEMAN RESIGNS AND GIVES SUPPORT TO HOOVER

SAN FRANCISCO, April 29.—The greatest blow that has been struck at Johnson in this city by an individual fell today when John Barneson, one of the best-known shipping and business men of the Pacific Coast, withdrew from the Johnson committee, and in a public statement gave his support to Herbert Hoover. Barneson's change from Johnson to Hoover was conveyed in a message to Warren Gregory, president of the Hoover Republican Club of California, and is as follows:

"As I am convinced that Herbert Hoover typifies the highest type of American citizen, and in these trying times has peculiar advantages fitting him for the highest position in the nation at a time when we need the very best possible counsel in both our domestic and foreign relations, I am in the strongest possible accord with the position taken by his friends calling on the people of California to nominate him as their choice for President.

"In accepting the nomination, I know from personal knowledge he will continue his devotion to public duty wholly against personal interest. His whole career is a convincing one that no personal interest will ever stand in the way of his duty as a citizen. I am anxious to co-operate and wish you every possible success."

The ideal way of washing delicate things is the way the Eden washes everything.

Wouldn't it be ideal

to put in the clothes, start the machine and go on about something else—certain that when you came back everything would be clean as new and more gently laundered than by hand?

The Eden

is a mechanical laundress. Many thousands of American housekeepers have found the Eden more economical than the old wash-board method. They have discovered that it makes their clothes wear longer because it doesn't rub or scrub. It dips everything up and down through hot suds very gently.

Try an Eden in your home free

The trial does not obligate you to buy one. There's no delivery charge—no expense at all. See how carefully and economically the Eden will do your own washing—how safe and simple and sanitary it is. Then, if you want to, you can buy an Eden in the same easy time-payment way that Liberty Bonds were bought. Phone for free demonstration today.

The Pro-English Lie About Hoover "is made in Germany"

It is a lie invented in the hope of electing Johnson who is against the Treaty and the League of Nations in the form advocated by the Republican party. If the Peace Treaty, as advocated by the Republican party and Mr. Hoover, is defeated by Johnson and his associates, the Germans will escape the penalties of the war and payments of indemnities which are contained in the Peace Treaty. The purpose of the Pro-British lie is therefore apparent. Mr. Hoover DOES know England. It was Mr. Hoover who demanded that Great Britain should give security for all money borrowed by Great Britain from the United States. It was Mr. Hoover who forced Great Britain to keep contracts made with the United States during the period of the war and upon two occasions threatened to cut off the British food supply unless these contracts were kept. It was Mr. Hoover who fought the British domination of the Peace Conference and succeeded in protecting the American interests at that period.

Hoover has no investments or property interests of any kind outside the United States. He is a man who has sacrificed whatever fortune he had during the war. His record of war service has never been impeached or called in question by any person of standing or repute.

REGARDING FREE SEEDS

If free seeds are really a great help to the farmer, or to the city gardener, by all means let the distribution be continued as an economic benefit to the nation. But nobody seems to have any definite information on the subject. The seeds are distributed, and no figures are available to show whether 10 per cent of them are ever planted, and whether another 10 per cent of each planting will come up.

Modern farming, even to the vegetable garden, is getting on a scientific basis. Tested seeds are demanded by the successful farmer. He must know just what results he is going to get when he puts a seed in the ground. He cannot afford to waste labor on seed that may prove nonproductive.

In consequence of the growth of this scientific spirit in agriculture it is suspected that free seeds are not so popular as members of Congress would have us believe, and that more packages are shoved aside than are put in the ground.

Figures should be produced by the Congressmen who are so prone to tears when the question of eliminating free seeds is brought up. Facts, not oratory, ought to clear up the free seed question in a single season.

GETTING BACK AT THEM

A talented pen-and-ink artist, who has his studio in New York, once received from an automobile firm a printed circular that caused him no little surprise and amusement.

"You are cordially invited," the circular ran, "to participate in our grand \$100 prize-drawing contest. Each participant may submit one or more drawings advertising our car, and the winner will receive a grand prize of \$100. Drawings must be sent prepaid, and they must be original. All unsuccessful drawings will remain the property of the undersigned."

Now the artist, who can hardly be persuaded to make drawings at \$1,000 each, smiled over this circular. Then he took a sheet of paper and addressed the firm as follows:

"You are cordially invited to participate in my grand \$10 prize automobile contest. Each participant may submit one or more automobiles, fully equipped, of his own manufacture, and the winner will receive a grand cash prize of \$10 in gold. The automobile submitted should be brand-new, and must be shipped prepaid to New York. The unsuccessful automobiles will remain the property of the undersigned."—Harper's Magazine.

WORDS WITHOUT MUSIC

Simmons, who is of a very nervous temperament, sat at the opera behind a couple who talked so continuously that Simmons soon found the situation intolerable. So he leaned forward and, with the utmost gravity said: "Pardon me, but would you mind speaking a little louder? Sometimes the music prevents my hearing exactly what you say."—Harper's.

LIFE IN SIBERIA

(Continued from Page 1)

Siberian railway on both sides and lying between Manchuria station east and Krasniarsk west of Irkutsk, with that city as headquarters. Many dressing stations were established in between these points. Most of the cases treated in the hospitals were typhus fever, which was and is the scourge of that country. The contagion is carried by a louse, Dr. Bucher says. He and his corps of experienced American Red Cross workers applied themselves diligently to training Russian girls and women as nurses. They entered into the work with the utmost zeal and proved to be splendid nurses, being faithful to every duty and absolutely fearless. Indeed, it was impossible to keep them out of the danger zone when battles were being fought and many of them were wounded while conveying desperately wounded men back from the front. Dr. Bucher speaks in terms of highest admiration of these workers and also of his American assistants. The dispensary was a great aid to the Siberians and the Doctor says he assisted in dispensing more than two million dollars' worth of medicines, food and clothing. He found the daily newspapers of Irkutsk of the greatest use in helping with this distribution.

When he and his party reached Siberia they found that the Americans, for some reason, were in bad odor with the people, but when they came away all was changed and naught but expressions of highest esteem were heard on every hand. The devoted, single-hearted attitude of all the workers and the interest shown in training native helpers, won all hearts. They are a simple, kindly people, Dr. Bucher says, much given to hospitality and practicing most of the simple virtues.

The Siberian climate is wonderful, he says. Though he experienced a cold of from 40 to 62½ degrees below zero no discomfort was suffered as it is a very dry cold.

Irkutsk is 30 miles from Lake Baikal, on the Yangara River. It is an important division point on the Siberian railway which the Doctor thinks surpasses our own railroads in some respects. The gauge of the tracks is four inches wider than ours and the passenger cars longer and wider. Palms and other shrubs adorn the dining and parlor cars and grand pianos are a part of the furnishings. In peace times the journey from Tien Tsin, China, to Petrograd, 8000 miles, was made in 12 days.

The Doctor and his party were forced to leave their work in January when the Bolshevik army captured Irkutsk, so the latter had the use of the new hospitals. Dr. Bu-

cher left there January 23d, after seeing to the dispatch of all supplies he was able to ship to the coast and liquidating all claims. He left Vladivostok on March 10th on an army transport, with 25 men and 7 nurses, many of the others having preceded his party. They came by way of Manila, Guam and Honolulu to San Francisco, where they arrived April 21st. The Great Northern, a big army transport, arrived at that port Wednesday, with another large party of Americans from Siberia. All will have left there before the end of May.

Dr. Bucher says he will now settle down in the Glendale home for a period of rest from his strenuous labors.

WHADDAYA THINK OF THIS?

Seven years ago a farmer living west of Charles City, Ia., hung his vest on a fence in the barnyard. A hungry calf chewed up a pocket of the garment in which was a standard gold watch.

Last week the animal, a staid old milch cow was butchered for beef and the timepiece was found in such a position in the lungs of the cow that the respiration—the closing in and filling of the lungs—kept the stemwinder wound up and the watch had lost but four minutes in seven years.—Mason City (Ia.) WASN'T IN A RUSH

A visitor was about to make an appeal to the boys and girls in a Sunday School recently.

"How many of you boys and girls want to go to heaven? All of you who want to go to heaven raise your hands."

All the boys put up their hands except Jimmie.

Little boy," said the visitor, "don't you want to go to heaven?"

"Not yet," said Jimmie.

Insurance Against Bolshevism

Frank B. Irvine, a well-known newspaper man, said recently, "The home owner is the best protection against the spread of Bolshevism."

"The strongest bulwark against Bolshevism in America is the American home owner. Men never plant bombs on their own hearthstones. They don't burn the roof over the heads of their own families."

"Russia went Bolshevistic because her people were landless and illiterate."

"With would-be American people in a wild orgy of extravagance and with 98 per cent of the American people subsisting upon their wages from day to day it is high time for somebody to be calling for a return to thrift and economy in our daily routine."

1. Procession of ghosts with accompaniment of unearthly noises.
2. Mrs. Barton introduces ghost of last year's program chairman, Mrs. Cotton.
3. Mrs. Cotton introduces Madam Wrightino and her ghost orchestra—Mesdames Aichols, Morgan, Horner, Kirk Smith, Dame, H. V. Henry and Mrs. Peckham, the singing ghost. Ghosts enter to tune of "Flee as a Bird" and so long have they been dead that each tries a different tune; terrifying ghost conductor. The singing ghost, Mrs. Peckham, gives three negro lullabies accompanied by ghost orchestra.
4. Jumping Jack dance, Mrs. Hagood.
5. Ouija Board number by Sun-bonnet Twins, Mesdames Parker and Wright. Mrs. Parker singing "Marjorie" and "I Wish I Were a Crow," with Mrs. Wright at piano.
6. Hamlet's ghost, Mrs. Ralston.

8. The Goop Dance, Mrs. Charles Parker.
9. Presentation of roses to Mrs. Toll by all the members of the Circle.

Mrs. Toll responded in her usual graceful manner and said she would always think of the Circle as a wreath of roses. Mrs. Kurtz, the "Man of Letters," then left with Mrs. Toll a quill to remind her to write to the Circle while away.

NOT LIKE MOTHER MADE

Johnny and his mother were dining with a friend. The first course was chicken soup with macaroni in it. The hostess watched Johnny as he sat quietly gazing into his plate. Finally she asked:

"Why don't you eat your soup, Johnny?"

"I don't care for it, please, ma'am."

"But your mamma said you liked chicken soup."

"I do like mamma's chicken soup, but she don't put windpipes in it."

FOR HIS IDLE CHATTER

They arrived home from the party. Friend wife took off her hat and slammed it on the floor. Then she confronted her hubby.

"I'll never take you to another party as long as I live!" she hissed.

"Why?" he calmly wanted to know.

"You asked Mrs. Jones how her husband has been standing the heat."

"Well?"

"Well, her husband has been dead two months."

Every seat in the tram-car was occupied. The occupant of one seat, however, was a dog, whose owner sat by his side. A man boarded the car and, after standing some time, complained to the conductor in a strong Irish brogue, "Sure, and it's hardly right for a Christian to stand and a brute of a dog to sit." The conductor promptly ordered the dog's master to remove him, and the Irishman sat down. With the geniality of his race, he tried to mollify the evidently angry owner of the dog. "Faith, now, that's a fine dog. And what may his breed be?" he asked. "A cross breed between an ape and an Irishman," was the angry reply. Quick as lightning came the retort, "Ah, sure, then he's akin to us both."—United Presbyterian.

VOTERS TO DECIDE SITE

At the time of preparing the call for the election to vote bonds to the amount of \$250,000, the Board of Trustees of the Glendale Union High School district adopted the following resolution:

WHEREAS, this Board has called an election to be held in Glendale Union High School District May 10, 1920, to vote on the question of issuing bonds of said district in the sum of \$250,000.00; and,

WHEREAS, it has come to the attention of the Board that some electors of said District propose if said bond issue is carried that the present high school site should be abandoned and land acquired at some other place for a new site, and other electors of said district are opposed to said proposition, and this Board desires to know the opinion of the

IMPORTANT ANNOUNCEMENT!!

For the convenience of our Glendale clients we have opened a branch office at 111 East Broadway. Many residents of Glendale, along with those of other live Southern California communities, have evinced great interest in our

TAMPICO-TEXAS DEEDED OIL LANDS

And we want to give them a fair chance at the limited allotment of only

\$25 AN ACRE

Remember This—We have no leases and no stock for sale. You buy and own outright—with perfect title—oil land in a district that experts say will be the “Tampico of Texas” and responsible parties claim it is worth more than the price asked as rich agricultural land—right now!

HOW CAN YOU LOSE?

On an investment of Only \$25 per acre—terms if desired—the oil rights may make your fortune, but “win or lose” on the oil, you still have a farm Worth All, or More, than the price asked.

The price of \$32.50 per acre should have gone into effect tomorrow, May 1st, but with so many offices, we were delayed opening several, including the Glendale branch. For that reason, we are holding the price of Only \$25 per acre open for a very few days.

You Cannot Afford to Delay!

tioned bond election, and hereby submits to the qualified electors of said District at said election the following question: “Do you favor the retention of the present location of the Glendale Union High School as the permanent site of the high school with such enlargements of the grounds as may be necessary for that purpose?” Said question shall be printed on the ballots used at said election hereby called and after it shall be the words “yes” and “no” with voting squares in which electors shall indicate their choice by marking a cross; upon said ballots shall also be printed the following part of this Resolution:

BE IT RESOLVED that this Board hereby agrees and pledges itself in the event that said bonds in the sum of \$250,000.00 are voted, that it will be governed in the matter of the high school site by the majority of the votes cast upon the question of retention of the present site—that is, if the majority of the majority of the electors thereon.

NOW, THEREFORE, BE IT RESOLVED that the Board hereby calls an election to be held in Glendale Union High School District on May 10, 1920, at the same voting places, at the same time and by the same officers of election as the above mentioned votes cast are in favor of retention of the present site, this Board will proceed to acquire the block of land situated immediately east of the present site for enlargement of the grounds and will construct suitable buildings for the use of the high school, including a class room building, a heating plant and a girls' gymnasium or as many thereof as can be constructed out of said bond issue and such temporary accommodations as may seem necessary pending the completion of permanent buildings; and if the majority of votes cast are against retention of the present site this Board will proceed to acquire a new site for the high school at some suitable location to be chosen by the electors of the District at a subsequent election, and will also construct on the present site such temporary buildings or additions or alterations of the present buildings as may be necessary to accommodate the school until new buildings can be built on the new site, estimated to be about five years, and any surplus of the bond issue remaining after these purposes are carried out will not be expended until the new site is to be improved.
